

# INFLAMMATION AND INFLAMMATORY DISEASES MASTER 2 (GRADUATE) PROGRAM

Organized by the Inflammex « laboratory of Excellence » consortium in Paris (France)

The “Inflammation and Inflammatory Diseases” (IID) Master program delivers in-depth training on molecular, physiologic and clinical aspects of Inflammation and Inflammatory Diseases. The IID master aims at training the next generation of scientists specialized in the field of Inflammation.

A teaching team composed of high-level French and international lecturers and researchers

## 5 specialty teaching Units :

- Actors of Inflammations
- Biological mechanisms of Inflammation
- Inflammation and pathologies
- Pathological interventions in inflammatory diseases
- Analysis of scientific articles

- Lectures are given in English
- Up to 2 PhD fellowship will be awarded for successful IID masters students
- Foreign IID students (5 positions available) will be provided with Free Housing in Paris, French lessons and circa 500€ per month leaving cost allowance.
- Since 2014, 9 students were granted 3-years PhD fellowships
